## The Video Player

The Video Player got an extension with which you can play through the video.

The blue break icon indicates your actual position in the video. If the background of the break icon is black, your outside your task.

To get to another position of the video click on the images or use the left and right arrows on your keyboard. If you want to play and stop the video use the spacebar of your keyboard.

If you are outside your sequence a warning will show up under the player and the events will be replaced with the image on the left side.

Your task starts at:  
33:52.00  
and ends at:  
33:57.00

Your sequence has finished. Use The controllers to move forward or backward to your sequence.

## The Input Elements

On the right side of the page you've got two things to chose before adding an event. Select first of all the event which is in the action and as second the team that belongs to the action. Please think about that a foul, goal, offside, out, etc. is only one if the referee blows his whistle.

To get the right time, please set the video at the point where the event happens.

## List of Events

In the last section you will see your captured events. At the beginning there will be an empty list like the image on the right.

If you have added an Event. You will see it in the list as shown below.

The screenshot shows a web interface titled "Your events". Below the title is a text prompt "click on a row to change the event". Underneath is a table with four columns: "Id", "Team", "Event", and "Time". The table is currently empty. Below the table is a blue button labeled "Submit all Events".

The screenshot shows the same "Your events" interface, but now the table contains one row of data:

Id	Team	Event	Time
1	Bolton Wanderers	Passes - Ball recovery	34 : 10.50

Below the table is a blue button labeled "Submit all Events".

If you think you've added a wrong event you can click on it in the list to change or delete it. The page will change to this:

The screenshot shows a detailed event editing interface. At the top, it says "Manchester City - Bolton Wanderers". Below this is a video player showing a soccer game. To the right of the video player is a form with the following sections:

- "You are changing 1. Event!"
- "Please select the event that happend" with a dropdown menu showing "Shot on target".
- "Please select the team that performed the event" with a dropdown menu showing "Bolton Wanderers (white)".
- "Please check the time:" with fields for "Minute:" (33) and "Seconds:" (53.10).
- Three buttons: "Change" (green), "Cancel" (yellow), and "Delete" (red).

Below the video player, there is a sequence of tags represented by colored arrows. At the bottom, there is a section titled "Added events" with a table:

Id	Team	Event	Time
1	Bolton Wanderers	Shot on target	33:53.00

Below the table is a blue button labeled "Submit all Events".

The selected event in the list will be highlighted with blue. Now you can change the event, team or/and time and submit the changes by clicking the "Change" button. If you want to delete this event click the "Delete" button and if you want to cancel changing click the "cancel" button.

## Finishing

If you finished the whole sequence click on the “Submit all events” button which is marked red on the image on the right side.

If there aren't any events in the whole sequence click also the button to receive you're token.
